MAINE YOGAFEST

June 20, 2014

To Whom It May Concern,

We will be installing a 40x100, 20x30 and 15x15 tent at the East End Community School at 195 North Street, Portland, ME for Maine YogaFest. The festival will be held on July 12-13, 2014.

We do not plan to use sidewalls for these tents unless we experience weather conditions. If we have to put up the sidewalls, I certify that we will do at least 2 exits/entrances at least 10 feet wide for both tents to comply with your rule of “two means of egress”.

If you have any other questions or concerns, please feel free to reach me at 240-876-0619 or regan@maineyogafest.com.

Thank you.

Regards,

Regan Johnson
