Attached please find the tent permit application in addition to all documentation required for Maine YogaFest (sheJAMs LLC) which will take place at the East End Community School on July 7-9, 2017, with set up occurring July 5 - 7.

Attachments in order please find:

- **Tent Diagram for Stage Tent**
- **Stage Diagram for Temporary Stage**
- **Field Use application**
- **Map showing plan / layout:** Attached is the 2016 map. The 2017 is still in production. The tent are being installed by A+ Party Rentals. The updated tent sizes are as follows - Savasana Tent + Mudita Tents - 40x180, We are moving the Muscle Milk tent into the center of Vendor village to offer shade or coverage from rain. And adding a smaller Samadhi Tent - 40x60 where the Muscle Milk Tent was. Bangor Saving Bank Stage Tent 15x15 Same as last year. All other tents used by vendors or information booths will be 10x10 canopies / pop ups.
    - **Activity under Tents:** There will be people under the 4 large tents practicing yoga. The 15x15 tent is a small music tent. The "Muscle Milk Tent" will provide shade or shelter in the center of Vendor Village.
- **Letter of intent with regards to Egress / Tent Sidewalls**: We may use one side wall between the Tent and Vendor Village as a privacy screen and a second wall between tents for privacy. At least 1 - 2 sides will be open. We would use sidewalls on the tents if we have inclement weather. We will provide two exits if sidewalls are needed.
- **Temporary Tent and Stage Permit**
- **Additional Insured Document COP**
- **Certificate of Flammability**

Temporary Staging Information - Small Music Tent
