linda,

i have a feeling mike nugent may be out of the office (vaca or seminars) so please ask to speak to **marge schmuckal**. marge is very nice (notice how i'm buttering her up) and will hopefully put a rush on getting the tent permit processed. please let her know that it is my fault for getting this letter to you so late (and that if she wants to yell at somebody - to yell at me.)

if they can't or won't process it, then have marge call me or my supervisor (carol mcclure). i would hope that as long as the paperwork is in their office (and they get the fax from maine bay) and it's going through the channels, (and we've ok'ed the sites and they've been DIG SAFE'd) that she'd ok it - knowing that it'd be approved - at sometime in the near future. i believe they ask for a 3-day notice.

please call and get their (insp. div.) fax number so maine bay can fax over the cert. of flammability. and remind marge that parks & rec. has ok'ed the locations.

also - that's great about relocating the porta-potty in the parking lot. thanks. i'm glad that came through.

and it's missy's call regarding parking - that'll be determined on Sunday with the weather, etc. and the boaters coming in. etc., etc., etc. touch base with mis.

good luck. and again. sorry for not getting the conf. letter to you sooner.

Ted:

Thanks for the confirmation letter. I talked with Missy about parking on Cutter Street and she was OK with it. Please confirm whether she can give us the OK to do that given normal traffic conditions. Also, I was not aware of the tent permit but I will call first thing Friday morning. What happens if for some reason it can't be done by Inspections?

Also, just an FYI, we have arranged to put the porta potty in the Stroudwater parking lot across the street rather than on Waldo street but thank you for accommodating us—I wasn't sure if it work out with the owner of the parking lot, but it did.

Thanks again for your assistance. I'll call you if I have any problems with Mike Nugent.

Regards,

Linda
