To whom it may concern,

Our business, Mougalian Rugs is currently located at 300 Roundwood Drive in Scarborough. We occupy approximately 8600 square feet of space for retail, office and a rug cleaning shop. We specialize in the sales and maintenance of hand woven rugs from around the world. There are three full time employees and two part time employees.

This is a low traffic business with an average door count of five to six customers per day.

We have one restroom on the main floor for public use and another on the second floor which is private. During our most busy times we have never had the need for more than one restroom. With total customer satisfaction being a top priority for a small business like ours we want our patrons to be comfortable in every way and experience tells us that a single unisex restroom will provide adequate facilities for a 3800 square foot showroom.

Sincerely

Randall Mougalian
