Hi Chris,
Thanks for getting back to me. Yes I would like to revise the proposal for just the two signs. Let me know if you need anything from me! Thanks
Birch

In the zone this building is located in, the B-2b zone, the sign ordinance allows only one sign per street frontage. The signs on the Washington Ave. and Madision St. sides are fine, but the third sign that faces the driveway cannot be approved under the ordinance. Do you want to revise the proposal to just be for the two street-facing signs?
