Hi guys, Bob LeBlanc has posted the housing replacement PG in the amount of $195,000, and the Site Plan/Subdivision PG in the amount of $$96,753.30, and is compliant with Planning requirements for the issuance of the demolition permit.

He still needs to pay the site inspection fee, and we need to hold the preconstruction meeting before the Building Permit can be issued though.

Let me know if you have any questions. Thanks.

Phil
