Fire Department requirements.

The following shall be submitted on a separate sheet:

- [x] Name, address and phone number of applicant **and** the project architect.
- [x] Proposed use of structure (NFPA and IBC classification)
- [x] Square footage of proposed structure (total and per story)
- [ ] Existing and proposed fire protection of structure.
- [ ] Separate plans shall be submitted for
  - a) Suppression system
  - b) Detection System (separate permit is required)
- [ ] A separate Life Safety Plan must include:
  - a) Fire resistance ratings of all means of egress
  - b) Travel distance from most remote point to exit discharge
  - c) Location of any required fire extinguishers
  - d) Location of emergency lighting
  - e) Location of exit signs
  - f) NFPA 101 code summary
- [ ] Elevators shall be sized to fit an 80" x 24" stretcher.

For questions on Fire Department requirements call the Fire Prevention Officer at (207) 874-8405.

Please submit all of the information outlined in this application checklist. If the application is incomplete, the application may be refused.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information or to download copies of this form and other applications visit the Inspections Division on-line at www.portlandmaine.gov, or stop by the Inspections Division office, room 315 City Hall or call 874-8703.

Permit Fee: $25.00 for the first $1000.00 construction cost, $11.00 per additional $1000.00 cost

This is not a Permit; you may not commence any work until the Permit is issued.
