hi jake -

i've cc'ed inspections staff on this email... to let them know that you and liv (organizer for the July 4th Festival) have permission to install tents on the Eastern Prom (and parking lot areas), given safety precautions taken and the area DIG SAFED, and a **confirmation from Liv Tansley** on the SETUP TIME and LOCATIONS...

liv - can you reply with the exact tent locations and the time frames for their installations...???

(pls reply to ALL - so that park managers and park rangers also get the timeline, etc.)

Inspections will then get to work on issuing the TENT PERMITS

thankx

 Ted

Thanks for taking my call today. As I mentioned on the phone, I am looking for the permit from Parks and Rec that states that we, Wallace Tent, are allowed to use the Eastern Prom parking area for tent installation starting Wednesday 7/2.
