

An aerial photograph showing a street intersection. The street running horizontally is labeled "Eastern Prom Road". A street running vertically is labeled "Walnut St.". A red rectangle is drawn on the grassy area to the left of Eastern Prom Road, with the number "30" to its left and "20" to its right. Several thick red lines are drawn over the image: one along the top edge of the road, one along the left side of the road, one along the top edge of Walnut St., and one along the right side of Walnut St. There are also several red dots along the top edge of Eastern Prom Road.
