Ref: Shipping Containers / Change of Use

Dear Mr. Russell,

I have read your correspondence regarding Shipping Containers and Change of Use Policy for Commercial structures dated October 11, 2017. I am confident that I qualify as I have been a Code Enforcement Officer, Local Plumbing Inspector and a Third Party Inspector certified through the State of Maine for the past 7 years.

I worked closely with the Attorney General's office and The Maine Manufactured Housing Director in permitting the first legal Residential dwelling made from two shipping containers from Snap Space Solutions in the State of Maine.

Fulfilling your request for References, I provide the following:

1)	Dan McClung	Town Manager Glenburn	207-942-2905
2)	Connie Sands	Code Enforcement Dover/Foxcroft	207-564-3318
3)	Brian Dodge	Dept of Veterans Affairs	267-838-4707

Furthermore, I am free from conflicts of interest with the applicant, owner and others of direct financial interest for the specified project

Please feel free to contact me should you have any questions. I look forward to working with you and the City of Portland.

Best,

Michael Falvey
