RE: TPI Inspection of Containers

Dear Mr. Russell,

My name is Keith Ewing, I am a structural Engineer and my Third Party Inspection number is 204.

I have worked with Snap Space on other projects as the Structural Engineer and Third Party Inspector. Because of this I am familiar with their methods and construction practices. As a Structural Engineer I have been doing construction inspections for over 18 years, also I have been a Third Party Inspector since 2013.

I was asked to provide References of people that I have worked with as a Third Party Inspector.

1.	Elwood Edgerly	TPI Client	207-564-8559
2.	Randall Gray	Code Enforcement Skowhegan	207-474-6904
3.	Mark Marquis	Code Enforcement Bangor	207-992-4227

As a Structural Engineer and a Third Party Inspector I am free from conflict of interest with the applicant, owner and others of direct financial interest for the specified project.

If you have any questions or concerns please do not hesitate to contact me.

Sincerely

Keith Ewing, PE, TPI
