Hi Joel,

I am in the process of reviewing your application to alter the signage on the awning at 22 Monument Square. Would you please let me know what the dimensions of the actual lettering will be? The limitation in this zone (based on your building frontage) is 30 square feet, so I need confirmation that the total square footage of the lettering will not exceed that.

Thanks,
Chris

9 inch letters on the front face x 13 feet long. side panels will be 9 square feet each, I think that this totals 28 sq ft.

Thanks
