Scope of Work: 120 Exchange St. 5th Floor Fit Up

Norris Inc. will add, remove and relocate fire alarm devices as needed for the 5th floor tenant fit up which will be occupied by A&M Partners. The building has an existing addressable Firelite panel which is located in the electrical room in the first floor lobby (Congress Street side). The existing panel will accommodate the new devices required for the fit up. The panel is currently monitored by a 24 hour central station (HSMC). The tenant space is fully sprinkled.
