399B Fore Street Portland, ME 04101
750 sqft Retail Store

399B Fore Street Project Description

~~1-Demolition of non load bearing partition walls installed by previous tenant.~~

~~2-Restoring original bathroom (plumbing for toilet and sink is already present) previous tenant had moved the bathroom to the center of the store.~~

3-Fixing the drop ceiling so that its all one level- current drop ceiling has two different levels
