Greetings, Attached please find a building permit and fast track affidavit for 50 Portland Pier, Third Floor. This project is a tenant fitout for Elite Airways and had previously submitted for a permit (#201500767), however, the scope of the project has been dramatically reduced. We would like to cancel our previous permit and re-submit for a new permit, as attached.

This project is also undergoing review via the State Fire Marshall's office. The project is being reviewed by Jennifer Bartlett (jennifer.l.bartlett@maine.gov or 626-3885)

Please let me know if you have any questions.

Regards,
