To Whom It May Concern,

I, Albert Palacci, give permission for Sherman's Books & Stationery to hang a sign (approximately 45x60) perpendicular to the building on the Exchange street side and two signs (approximately 3x4 and 2x6) up against the building on the market street side of the building. I also give them permission to put up any window decal signs on the front or back windows or doors.

Sincerely,

Albert Palacci
