Jeanie,

This is the email I received yesterday from Richard Nason. He combined it with a response to a permit application I had pending.

The second sentence is his response to the letter we sent, a copy of which I sent you yesterday. If you need a more definitive answer from him, pertaining only to our project at 6 City Center, I can ask him for one.

You may notice Mr. Nason refers to 3 and 5 Spring Street. These will be the new street addresses for the spaces that will be accessed from the new building entrance on Spring Street.
