Hello Ann

The graphics are for "Bill's Pizza" "The Blue Lobster" and "4 Moulton" (on a small side awning).

Maine Bay Canvas supplied me with the amount of sq. footage of graphics as their computer program calculates it once a proof is done.

The Blue Lobster = 26.75 s.f

Bill's Pizza = 13.50 s.f.

4 Moulton = 1 s.f.

Linnette -

Are the graphics for the awnings only for Bill's Pizza & the Blue Lobster and no graphics on the other five awnings? Also the email from you states that there is a total of 41.25 sf of graphics on the awnings. Can you show me in detail (breaking down all the graphics with their dimensions) the dimensions of all the graphics to show how you arrived at that amount?

Thanks.

Ann
