Good Afternoon:

On behalf of our client All Aces, LLC, I am enclosing a building permit application seeing to **amend** the existing permit ID No. 2016-00380. We have discussed the issue with Laurie Leader and were instructed to submit a new application with supporting materials all of which are attached to this note.

The cost of the newly proposed improvement is $38,000. Could you please email me an invoice as soon as possible and I will make the payment right away. Thank you very much for your help.
