Accessibility Building Code Certificate

Designer: Mark Mueller Architects

Address of Project: 11 Brown Street - Eastman Block

Nature of Project: Conversion of the 3rd & 4th floor from vacant space to residential condominium, one unit per floor. Conversion of the 2nd floor from restaurant to two residential condominium units. 1st floor to remain restaurant. All work shall be interior non-load bearing walls, new roof deck with exterior wood stair.

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
