Building Permit Amendment

We would like to submit an amendment to Building Permit No. 2013-00643. The original application was submitted to the Inspections Office via USB drive. Attached are PDFs reflecting the amendments. The three proposed changes are as follows:

1) The first floor bar to be reduced in size with a change of shape

2) The second floor two new ADA bathroom dimensions change by moving one wall by 16", while maintaining ADA regulation guidelines

3) The bar depicted on the second floor plan is changed to a straight shape

The estimated cost of work for these changes is $5,000. The $70 permit application fee will be paid over the phone by credit card upon submittal.

Should there be any questions I can be reached directly on my mobile (207) 406-0344 or by email theresa@portlandempire.com.

Thank you for your time,
Theresa Chan
