Dear Sonka:

Thank you for your call inquiring about the signage for the restaurant space that you have leased from Casco View Holdings, LLC at 245 Commercial Street, Portland, ME.

It is our intent that the restaurant tenant make use of the current sign bracket that is currently secured to the building near the entrance door of the restaurant. You have our permission to utilize that bracket for your restaurant.

Thank you for your inquiry. We are all anxious to welcome you to the neighborhood and look forward to your opening in the near term.
