Dear Charles,

This is to confirm the counts for students and employees as previously discussed.

We currently have 435 degree seeking students and 110 FTE (full-time equivalent) employees. The gender split for students is 65% female and 35% male. The gender split for employees is 50/50%.

Please let me know if I can provide any additional information.

Thank you,

Elizabeth Elicker
Executive Vice President
