Please find attached the Sign Application for Ten Ten Pie LLC for the retail store at 171 Cumberland Ave in Portland.
The application is for the installation of one 36" diameter plexiglass facing on an existing 36" round aluminum sign frame mounted on the front of the building. The plexiglass will contain an image of the Earth and will not contain any text.

This electronic file includes:
-written permission from the property owner
-a sketch of the lot with buildings, and sign location.
-a sketch of the image of the Earth that will be on the plexiglass face
-a sketch of the mounting detail
-a photo of the existing frame mounted on the building

There is no existing signage.

The sign will be located 87" above sidewalk grade on a front facade of 21' by 12'. It will be backlit with T5 fluorescent bulbs utilizing the existing hardware. The plexiglass face will be mounted to the existing sign frame with an aluminum bracket utilizing metal screws.

Please contact me if you have any questions or concerns.
