Hi Sandy,

The amendments are as follows:

1. Interior reconfiguration of the first floor unit layout (walls/doors).
2. Interior reconfiguration of the second floor unit layout (walls/doors).
3. Interior reconfiguration of the third floor unit layout (walls/doors).
4. New third floor unit loft level.
5. Relocation of the elevator from the original plan location to the Moody Street side of the building.
6. Reconfigured roof/dormers for third floor loft level.
7. Reconfigured exterior windows at the third floor.

The cost of the additional work (primarily the new loft level at Unit 3) is \$18,000.00

Please let me know if you have any questions.

Can you tell me when we might expect the amended permit? If it can be expedited, it would be truly appreciated.

Thank you,

Mike
