Chris,
I am having trouble finding it, I should just put it on my desk top.
I have spoken with Bill, Doug listed the issues to address and they have been corrected.
FD approves the legalization of the unit.
Thank you,
Rico

Hi Rico,
Ann Machado advised I check in with you on the status of your inspection of 131 Sherman St. The result is listed as "follow-up required," so I wanted to find out from you what the issues are? If needed work is relatively minor, you can approve the legalization with conditions, and we would not issue a C of O until those conditions were met. The Fire compliance sheet is in the G drive, let me know if you have any trouble finding it.
Thanks,
Chris
