Date: 06/13/16

Signage Information: 172 State Street, Portland, ME

This sign is to replace the existing sign. The new sign w
same size and same location. We will be using the exist
posts to secure the sign with the existing metal brackets. The only component that is being changed is the carved sign itself. The hardware, mounting brackets, and granite posts will remain.

- The new sign will be the same exact size of the existing sign. 60" X 30"
- HDU Sign Foam painted black with 23 carat gold lettering.
