To Whom It May Concern,

I, Beth Paterson, lived at 236 State Street in the 2nd floor studio apa
10 years, from about 1979-1990. I found the apartment entirely suitable as
apartment, with fully equiped kitchen (stove, refrigerator, sink, cabinets and c
bathroom (sink, toilet, and shower), bedroom, and main living room. There was an
independent heat supply at the time--kerosene heat. There were adequate electrical
outlets in each room and also closet or storage space--i.e. shelves in the bathroom, closet
and built in shelves in the bedroom, cabinets in the kitchen. I was very comfortable in the
apartment.

Sincerely,

Beth Paterson
