Dear Owner of Property Abutting 14 Blythe Court,

We are applying for a building permit to begin renovations to the property located at 14 Blythe Court, Portland, Maine.

The project includes demolition of the existing structure and subsequent construction of a new single family structure. We have been granted approval by the Historic board of review and intend to re-build to look very similar to the existing structure, with some enhancement, naturally.

This notification is being sent to all abutting property owners pursuant to the City of Portland application requirements. If you have any questions regarding the project, please do not hesitate to contact myself at the above address and phone number.

We will be in touch when we are granted a building permit to inform you of our intended timetable for the project.

Respectfully,

James Smith
