HISTORIC PRESERVATION
APPLICATION FOR CERTIFICATE OF APPROPRIATENESS

Pursuant to review under the City of Portland's Historic Preservation Ordinance (Chapter 14, Article IX of the Portland City Code), application is hereby made for a Certificate of Appropriateness for the following work on the specified historic property:

PROJECT ADDRESS:

17 West St., Portland, Maine 04102

CHART/BLOCK/LOT: _____ (for staff use only)

PROJECT DESCRIPTION: Describe below each major component of your project. Describe how the proposed work will impact existing architectural features and/or building materials. If more space is needed, continue on a separate page. Attach drawings, photographs and/or specifications as necessary to fully illustrate your project—see following page for suggested attachments.

Please see attached .jpeg photos of existing building profile. We are seeking approval to move forward with rebuilding our two chimney exactly as they currently appear re-using existing bricks whenever possible and replacing bricks only if needed with closely matching bricks when necessary. We have contracted with Carroll Newman & Son Masonry, Inc. to complete this work who has both worked with your office previously and understands your approval is necessary. Existing profile of the building and appearance will not change.

ring Approval in Historic Districts

s located within a historic district or is an individually designated historic structure, it is ve approval before proceeding with any exterior alteration, construction activity or site t will be visible from a public way. Following is a list of activities requiring review. **those activities that apply to your proposed project.**

Repair

- ☐ Window and door replacement, including storms/screens
- ☐ Removal and/or replacement of architectural detailing (for example porch spindles and columns, railings, window moldings, and cornices)
- ☐ Porch replacement or construction of new porches
- ☐ Installation or replacement of siding
- ☒ Masonry work, including repointing, sandblasting, chemical cleaning, painting where the masonry has never been painted, or conversely, removal of paint where the masonry historically has been painted
- ☐ Installation or replacement of either roofing or gutters when they are a significant and integral feature of the structure
- ☐ Alteration of accessory structures such as garages

Additions and New Construction

- ☐ New Construction
- ☐ Building additions, including rooftop additions, dormers or decks
- ☐ Construction of accessory structures
- ☐ Installation of exterior access stairs or fire escapes
- ☐ Installation of antennas and satellite receiving dishes
- ☐ Installation of solar collectors
- ☐ Rooftop mechanicals

Signage and Exterior Utilities

- ☐ Installation or alteration of any exterior sign, awning, or related lighting
- ☐ Exterior lighting where proposed in conjunction with commercial and institutional signage or awnings
- ☐ Exterior utilities, including mechanical, plumbing, and electrical, where placed on or near clearly visible facades

Site Alterations

- ☐ Installation or modification of site features other than vegetation, including fencing, retaining walls, driveways, paving, and re-grading

Moving and Demolition

- ☐ Moving of structures or objects on the same site or to another site
- ☐ Any demolition or relocation of a landmark contributing and/or contributing structure within a district

Note: Your project may also require a building permit. Please call Building Inspections (874-8703) to make this determination.
