Dear neighbor,

We have filed a legalization of a nonconforming dwelling unit application with the city of Portland to correct the deficiency with the building at 315 Brackett St. If you have any questions please call me at the number below and I will be happy to answer any questions.

There is to be no change to the building, but this is a process for the legalization of the building as it is now and has been since the 1990's.

Thank you,

Randall Scott
