Subject: Re: Fwd: 481 Danforth BP#201301283

Sorry, Carol, the email did have the application, it did NOT have the corresponding paperwork/plans/changes for the amendment and the extra $32,000. If you can submit those as well, we can enter this permit in.

Carol, as stated in Jeanie's e-mail...apparently you are supposed to provide an addendum application because of the new work and change in Cost of Work? Your current e-mail does not have an application attached.
