French / Hinged Patio Door Systems: Smooth-Star

(2)2'8" x 6'8"

S2000

Create curb appeal with plenty of color options. Smooth-Star patio doors feature crisp, clean lines with a smooth, paintable surface. A much more attractive and durable alternative to steel, it has the look of a real wood door with all the benefits of fiberglass. From curb appeal to convenience, Smooth-Star entry doors are made to keep up with your lifestyle.

U-Factor/Solar Heat Gain Coefficient
Clear with Internal Blinds .37 / .28
