Product Information

Description

Inspections Division
Date: 08/09/17

- JELD-WEN V2500 vinyl windows are made to be durable, energy efficient and attractive
- Built from high-quality extruded vinyl that resists fading and won't chip or peel
- This product is backed by our lifetime warranty that is transferable for 10 years
- Our high-performance, Low-E 366 insulating glass lowers energy costs, helps homes stay cooler in the summer and warmer in the winter
- Both sash tilt in for convenient cleaning
- 1-1/4-in pre-punched nailing fin integral to the frame, it surrounds the full perimeter of the frame and helps make installations weather-tight
- Grilles between the glass will add character to your home and require no upkeep - will not interfere with window cleaning
- If you're not seeing what you want, optional colors and custom sizes are available - check with your local Lowe's store
