Attached is another cross section drawing for 23-25 Beacon.

There is no existing floor plan. You recently awarded me a demo permit to gut the entire third floor. What I sent you would be the new proposed floor plan. There is no window schedule as all windows are existing. The doors noted on the proposed floor plan are interior bedroom doors 32" x 6'8".

Please let me know if you need anything else.

Thank you,
Shelley Ganem
