intellicore®
insulation technology

Warmer. Quieter. Stronger.

Canyon Ridge® Collection Limited Edition Series doors featuring Intellicore® insulation technology represent the ultimate smart choice for homeowners. Clopay's Intellicore is a proprietary polyurethane foam that is injected into a garage door, expanding to fill the entire structure. The result is a door with incredible strength and durability. Its dense insulation also produces a quieter door, and with one of the industry's leading R-values of 20.4, it provides year-round comfort and improved energy efficiency. Smart, indeed.

Canyon Ridge® Collection not applicable for new construction in California areas designated as "Fire Hazard Severity Zones".
