Carol,

I had e-mailed Chris about a sign on the building. I'm not sure if this is a matter that you would / could handle or do I need to wait for Chris to return?

Thank you,
Gail Lerman

**Subject:** Sign/building

Chris,

As we had discussed months ago, I want to hang a sign on my corner of the building. The sign would be mounted on the corner of the building facing the Prompto Oil building. I have sent you a proof from the sign company.
The sign would be 30"(w) x 36"(h). The sign company will be obtaining all the necessary permits.

Please let me know.

Thank you,

*Gail Lerman*
