I apologize for the delay. The cost of this project is $9,675.00.

I recognize you also noted that the drawing of the kitchen layout was too light. I attempted to darken it and have attached it to this email. Please let me know what else I can do so that we can start work.

I look forward to hearing back!

Ellen Hayes

> We still have not received the requested information on this permit application. Please provide the cost of work ASAP so the permit can move forward. If we do not hear from you soon, your application may be voided, and you will have to start the process over. We look forward to seeing this information soon; thank you.
