Re: Proposed Modifications to Existing Verizon Wireless Equipment
Site Name: Portland_2_ME
Site Address: 186-218 Woodford Street, Portland, ME 04103

I am writing to notify you that Verizon Wireless would like to make modifications to their existing antenna equipment located at 186-218 Woodford Street, Portland, ME 04103. I have been informed that six (6) antennas will be replaced with newer antennas roughly 1 foot bigger, along with some ancillary equipment. In addition, Verizon will add three (3) remote radio heads, one (1) 1-5/8" hybrid cable and two (2) junction boxes.

We look forward to your approval to proceed with the proposed antenna modifications. Please note that by giving your approval you are also granting permission to Verizon Wireless to act on your behalf in the filing of all applications for any and all permits related to the replacement and additional equipment at the referenced site.

Please indicate your consent to this matter by signing below then please scan and return to me via e-mail. Please also send original to: Vital Site Services, Attn: Lauren Bonsignore, 73 Union Square, Somerville MA 02143. Should you have any questions I may be reached by phone at 617-285-3874, or via email at lbonsignore@vssinc.net.

Thank you very much for your anticipated cooperation.
