Ms. Thompson,

Thanks for your email & for reviewing our shed application. I apologize for not including the dimensions of the back deck, etc.

Here is what I have based on our measurements and public records:

{Lot = 5924 sq ft}

House = 1362 sq ft total (though footprint should be approx. 681 sq ft)

Garage = 260 sq ft

Screened side porch = 120 sq ft

Front steps = 31 sq ft

Back deck (it was difficult to determine sq footage due to unconventional shape and steps, so I overestimated) = 130 sq ft

Please call me if you have any questions or concerns.

Best regards,

Jessica Bell
