application to build shed at 58 Vannah Avenue

Peter Halpin <pbhalpin71@gmail.com> Wed, Aug 3, 2016 at 10:56 AM
To: Jennifer Thompson <jlt@portlandmaine.gov>

Good Morning Ms. Thompson:

I apologize!! I thought I read in the instructions I was allowed to be casual with dimensions if I drew the "plot plan" (page 14 of 14 of the pages I submitted) to scale.

I also now realize that I did not include the deck (8' x 15') and a small protrusion on the front of the house facing Vannah Ave. (8'x10').

The following are the dimensions of all the structures:

Structure	length x width in feet	square footage
Deck	8 x 15	120
Garage	12 x 20	240
House	28 x 32	896
Protrusion (house)	8 x 10	80
Proposed Shed	16 x 26	416
Total Square footage		1,752

Page 5 of 14 of the pages I submitted shows our property square footage to be 7,395 square feet. The sum of all structures (including the proposed shed) is 1,752 square feet – or 23.69% of the property.

Sorry again about the casual drawing.

Sincerely,

Peter Halpin
