Subject: Re: Application submittal

Hello again,
Could you re-email me the application form that I need in order to apply for a change of use? I can't seem to find it in my Gmail chain.

We would like to offer hair braiding services, but don't need to do anything regarding plumbing or electrical.

After I spoke on the phone with you two weeks ago, I was under the impression that I could submit what I had and that you would request anything additional that you need.

In appreciation,
Jay Robinson
for Mariama's Beauty Supply
