Re: Asbestos Demolition Impact Assessment.

Dear Ms. Moody:

Abatement Professionals Corporation (APC) is providing you with this letter regarding your property located at 6 Clinton Street, Portland, Maine which was conducted by Robert Rickett Jr a Maine DEP licensed asbestos Inspector AI-0114.

The focus of this inspection was on the rear Garage, the garage is a wood framed, and shingled siding building with no suspect building materials that would contain asbestos or warrant any sampling of suspect building materials. There is no power, heating nor water sources in this building.

This letter should serve to allow you to get your demo permits from the City of Portland to take down this garage.

We appreciate the opportunity to service your asbestos inspection needs, should you require further bulk or air quality sampling please feel free to contact us at any time.

Very truly,

Robert W. Rickett Jr
