RE: 120 Concord Street, Portland, ME

Per your inquiry about the garage apartment at 120 Concord Street, Portland, ME. The Garage apartment was already there when I bought the property back in 1996. If you have any specific questions about the unit you may have to reach out to the prior owner. Unfortunately, I do not have the prior owner's information anymore. I'm sure you can access that information from the Portland Accessors Office.

Dana Ricker
