Re: Portland HGI Expansion
Portland and South Portland Maine
Subject: Applicable Codes

Captain Pirone:

This letter is to confirm that the Hilton Garden Inn guestroom addition mentioned above has been designed in accordance with and meets the requirements of the Maine Uniform Building Code which has adopted the 2009 International Building Code. Accordingly, the building has been designed to the requirements of 2009 NFPA 101 Life Safety Code.

The State of Maine replaced the applicable codes listed on the cover sheet of our documents by the 2009 IBC in January of 2010.

Please feel free to contact me should you have any additional questions or concerns.

Sincerely,
HC Architecture, Inc.

T. Hogan
