Ok, thanks, I will put it as a condition to submit it when received.

Hi Jeanie,

We have not heard from the SFM yet at all. I overnighted them updated plans from our revisions last week and still nothing, we originally submitted to them at the end of November when we submitted to you. Every entrance will have an accessible ramp into it as it was designed in the core and shell.

Katherine

Hi Katherine,

I am looking at these and close to approving. Have you received the State Fire Marshal permits for this and the distillery? If so please submit, these should be included prior to the City's approval.

Also, I know the core and shell permit is dealing with the entrances, but can you confirm that accessible routes are provided for all these new tenant spaces?

Thanks,
Jeanie
