Section 16

Water Supply

16. Water Supply

A. Water Supply Method

The development will be serviced by the existing 8" municipal water within Westbrook St supplied by the Portland Water District. An ability to serve letter, from Portland Water District, is forthcoming.

B. Subsurface Wastewater Disposal

Not applicable. The development will be serviced by municipal sanitary sewer.

C. Total Usage

This project requires an estimated water supply of 38,250 gallons per day (gpd).
