Wall Bracket SPECS
QSWB3000

A Close Up:

Our wall bracket works great with all Mini Split units.

Holds up to 300 lbs.

Plenty of room for piping and service.

All necessary hardware is included.

*Powder Coated.

The QSWB3000 has 4 points of anti-vibration isolation using 50-derometer rubber washers.

The QSWB3000 is completely adjustable from 0”-34” in width.

19" shelf depth & 7" clearance from Z bend for a total of 26" clearance to allow for correct spacing between wall and unit.

Mounting shelf is pre-slotted to quickly connect units.

Quick-Sling wall bracket provides you with a solid platform that is quick, safe, stable and affordable.

Patent Pending
