Subject: No Gas Service Letter Requested

Good evening,

I received a call from Karen James who is coordinating the Demolition of a single family home located at 72 Bishop St, Portland, ME 04103-2616. The City of Portland is requiring a letter stating that there has never been any gas at this location. Is there a letter we can provide by any chance? Any assistance with this is greatly appreciated.

Thank you.

Caller Name: Karen brown

Address in question: 72 Bishop St, Portland, ME
