Ann,

Please accept this email as a letter providing permission from City Facilities and Economic Development for Doug Hasson to proceed with his ice cream kiosk fit up. Kathy Alves has asked that I send this to you to move things along. Mr. Hasson's lease is still under review with Legal, but the terms have been agreed to. We would have him hold on occupancy until the lease is signed.

Attached is the latest lease exhibit, which I believe is more up to date than the image that you had attached.

Regarding the bike rental, with approval from the Planning Board last night on the Conditional Use, that is proceeding; but, we don't yet have agreement on the lease terms, so they are somewhat behind Mr. Hasson. As soon as Legal has approved the Ice Cream Lease, we'll use it as a template for the Bike rental lease

Please let me know if you need more to proceed with permitting for the ice cream kiosk.

Thank you.

Bill
